

## Your Motivation Letter - specific instructions

Your Motivation letter should be personal, concise (1 or 2 pages maximum) and should contain the following paragraphs:

- A brief introduction where you state why you are interested in applying for the MathInGreaterParis programme. Please explain also how your project fits into the MathInGreaterParis network framework.
- The most relevant information about your academic background.
- Clearly describe what motivates you and what would you like to achieve in your research. Please stress your skills and qualities that could be consider beneficial for your research.
- Conclude with the impact of your studies on your life and your future career plans.

## Your CV specific instructions

You can find template and instruction for your CV on the Europass web site <https://europa.eu/europass/fr/create-your-europass-cv>.

Or

[https://www.europass.at/fileadmin/dateien\\_redaktion/lebenslauf/Europass\\_CV\\_Instructions\\_EN.pdf](https://www.europass.at/fileadmin/dateien_redaktion/lebenslauf/Europass_CV_Instructions_EN.pdf)

We strongly suggest you to use the Europass template for your CV without forgetting to add section on publication (if any), teaching experiences (if any) or any kind of activities more related to research.

**Please carefully specify your activities after November 2020 and where you have been living and working in between the 30/11/2020 and the 30/11/2023 in order to be sure that you fulfil the eligibility criteria:**

- **Mobility rule:** Applicants must not have resided or carried out their main activity (work, studies, etc.) in France for more than 12 months in the three years immediately before the deadline of the co-funded programme's call (i.e., 30/11/2023).
- **Experienced Researcher:** Candidates must have a doctoral degree or an equivalent experience, at the time of their enrolment (between September 1<sup>st</sup> and November 1<sup>st</sup>, 2024).
